### MARVIN MORSEL

Did you know that MARVIN allows you to use shortcuts throughout the system to make your job easier? Instead of having to type in the month, day, and year every single time to enter a date, you can use various shortcuts.

For example, to enter today's date, you can type the number "0" in the required field and press "Enter." Today's date will automatically populate! To enter tomorrow's date, type "1," and for yesterday's date, type "-1."

You can use the same logic to calculate the month and year. Type in "1m" to enter a date one month from today and "-1m" to populate a date that is one month ago.

To enter a date one year from now, type in "1y." How would you enter a date from one year ago? You got it! Simply type "-1y" in the required field. Shortcuts are great!

### MARVIN Testing

The MARVIN project is currently undergoing a preliminary testing session (official testing begins in March 2017). Selected DOR as well as County staff were invited to participate.

During this three week event, testers were given advance access to MARVIN. They also had the unique opportunity to talk with the system developers one-on-one and to provide feedback and suggestions.

Most of the feedback we've received has been positive -

"MARVIN will be great for the Counties!"

"I was worried at first about learning the new system, but this has been very easy!"

Mark your calendar!

You can see a MARVIN demonstration!

## ANNOUNCEMENTS

MARVIN Project Managers will be giving a demonstration on December 6, 2016. You will be able to view the demo from the convenience of your office. No need to travel anywhere to view the demo!

There will be two demo sessions:  
9:30 - 11:00 am  
2:00 - 3:30 pm

A few of the demo topics include: title change, plate surrender and certificate of credit, replacement title application printoff, and county holds.

You will receive an email with more details and a link to access the demo in November.

## TESTING

A behind the scenes look of MARVIN Testers, Developers, and Trainers hard at work. Over 800 scenarios were tested in just two weeks!

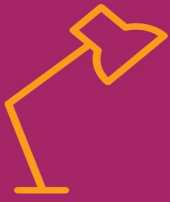

During the first two weeks of Testing, over 3,000 vehicles were registered! We formed all the POD stickers into a "MARVIN Meteorite" and have been watching it grow bigger and bigger!

We are so proud of the meteorite because it represents how quickly the testers learned MARVIN! How great is it that the testers were able to register that many vehicles in such a short period of time?

**WAY TO GO, TESTERS!!**

# MARVIN SPOTLIGHT

## APRIL LAMBERT

Tax Revenue Analyst, Title Bureau  
MARVIN Project SME

April has been working at the DOR in the Title department since June 2013. She is very sweet, can almost always be seen with a coffee mug in her hand, and is very knowledgeable about everything Title related. April has definitely been an asset to the MARVIN team!

## 10 QUESTIONS IN 30 SECONDS

1. What is the one thing you can't live without.  
Coffee! The more the better.
2. What would you most like to tell yourself at age 13?  
I would tell myself to go to college.
3. Tell us something that might surprise us about you?  
I love to bake! My specialty is a crepe cake - a French dessert consisting of 20 layers of thin crepes, each separated with a brush of pastry cream and topped with whipped cream. Delish!
4. What is your favorite sports team?  
The Miami Dolphins (only because that's who my husband roots for).
5. What three traits define you?  
Loyal, funny, open-minded.
6. What is the weirdest job you've ever had?  
I was a dental technician and had to make fake teeth.
7. What is the best place you've traveled to?  
NYC - everything is opened 24/7. I am a city girl stuck in a country girl's body.
8. What is your greatest fear?  
Spiders!!
9. If you could do another job for just one day, what would it be?  
I would be a wedding planner!
10. If you win the lottery, what is the first thing you would do?  
I would split the money with my family.
